- No line rental and no price rises during your contract
- 1 x FREE Total Home Wi-fi extenders included

900Mb

## Why choose Grain full fibre?

Today, as we rely on mobile phones, tablets, games consoles, Smart TVs and Smart Home devices more than ever, only a full fibre connection direct to the router in your property will do.

### It's as easy as 1, 2, 3!

1

Enter your postcode on our website to see the latest offers available on your street. If you're not sure which package will best suit you, our knowledgeable team are able to assist you.

2

Sign up to your chosen package and our Customer Service team will be in touch to discuss timescales and organise your FREE install appointment.

3

Once your router is installed and your service is connected, you can connect your devices and experience all the benefits of Grain's superior full fibre network, for less!

Great value offers

Free router & install

hyperfast broadband

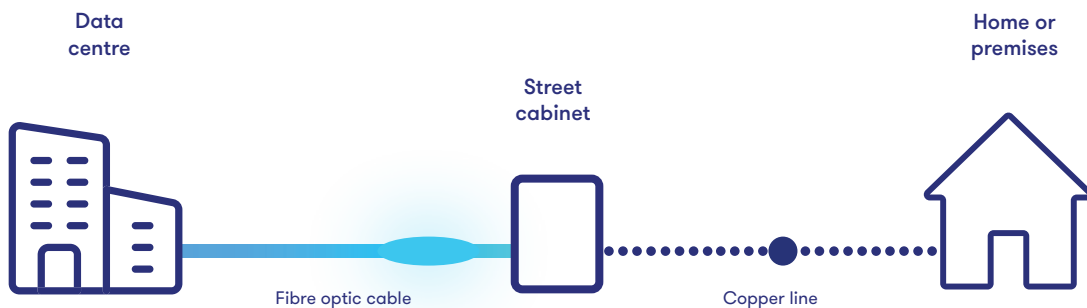

# Giving the UK a better choice for broadband

Unlike some providers, we build our own network with a dedicated fibre line to every property; giving you faster, more reliable broadband!

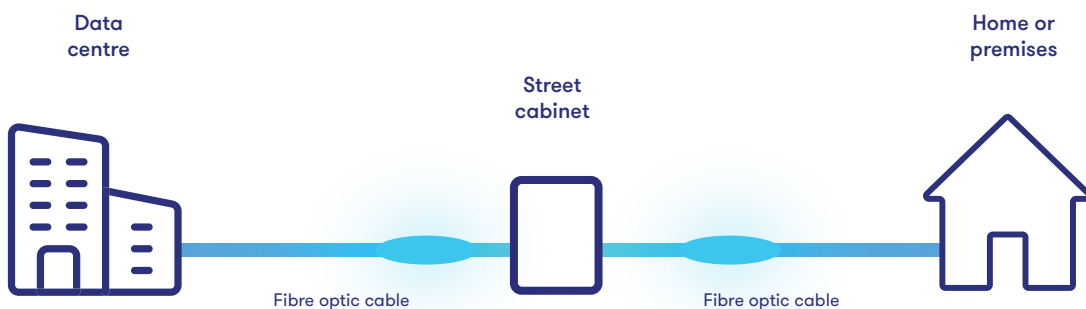

## EXCHANGE ONLY LINE (EOL)

## FIBRE TO THE CABINET (FTTC)

## FIBRE TO THE PREMISES (FTTP)

# Why choose Grain?

Enjoy the benefits of a superior full fibre broadband network!

	grain®	Sky	BT	Virgin
Loyalty Price Promise*				
No price rises during contract				
Exclusively full fibre				
Upload as fast as download				
Technical set-up call included				
No line rental you won't use
